East Siders meet and socialize; we plan
our days; we plan our lives.

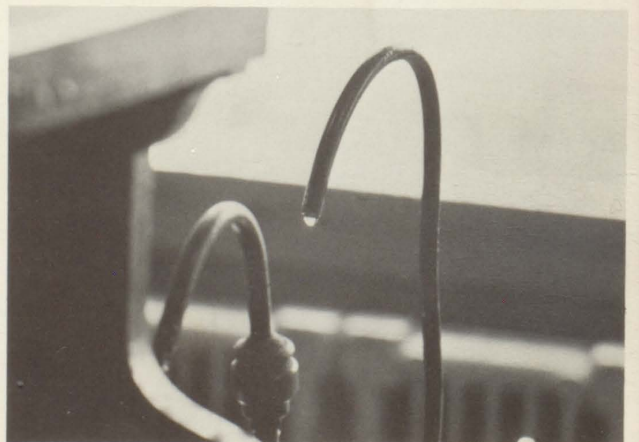

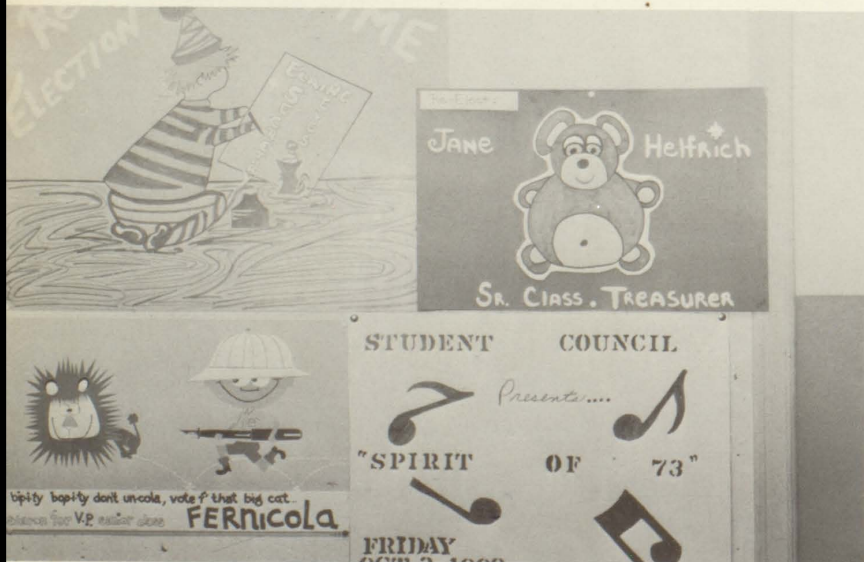

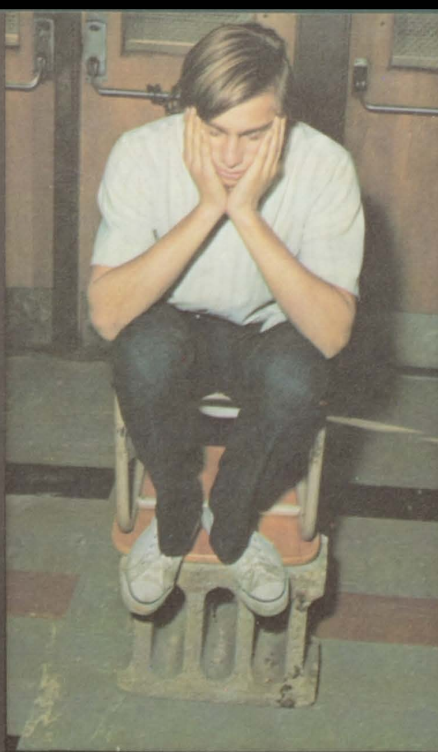

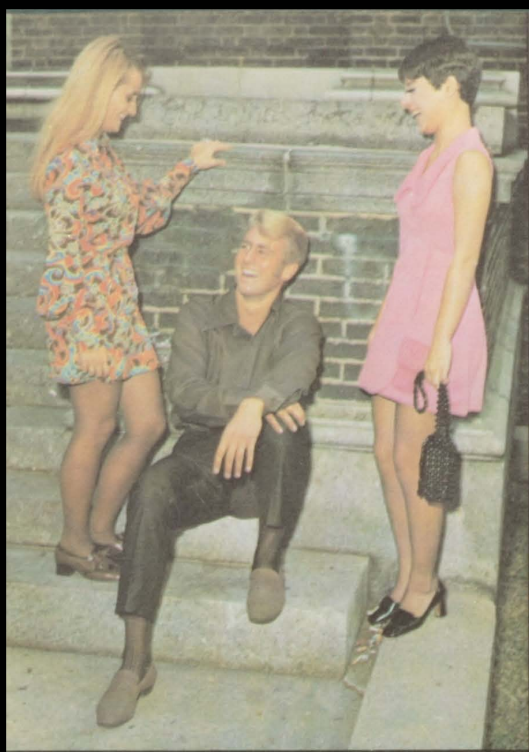

The bell rings and
empty hallways
come alive!!

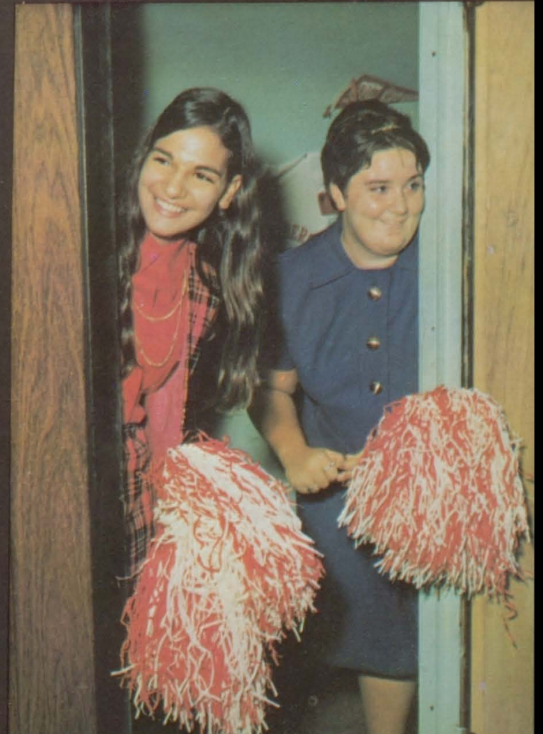

RELAXATION: The predominant factor.

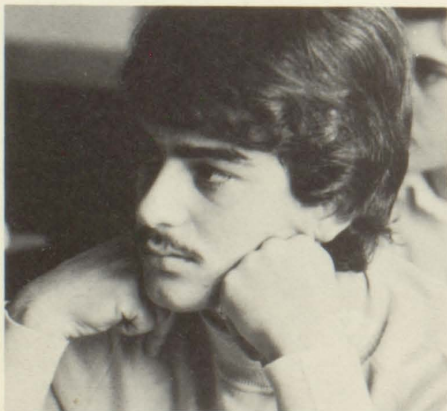

COME TO THE TRADING POST
STRAIGHT DOWN AND TO THE RIGHT
OPEN BEFORE SCHOOL PERIOD 4-5-6 AFTER SCHOOL

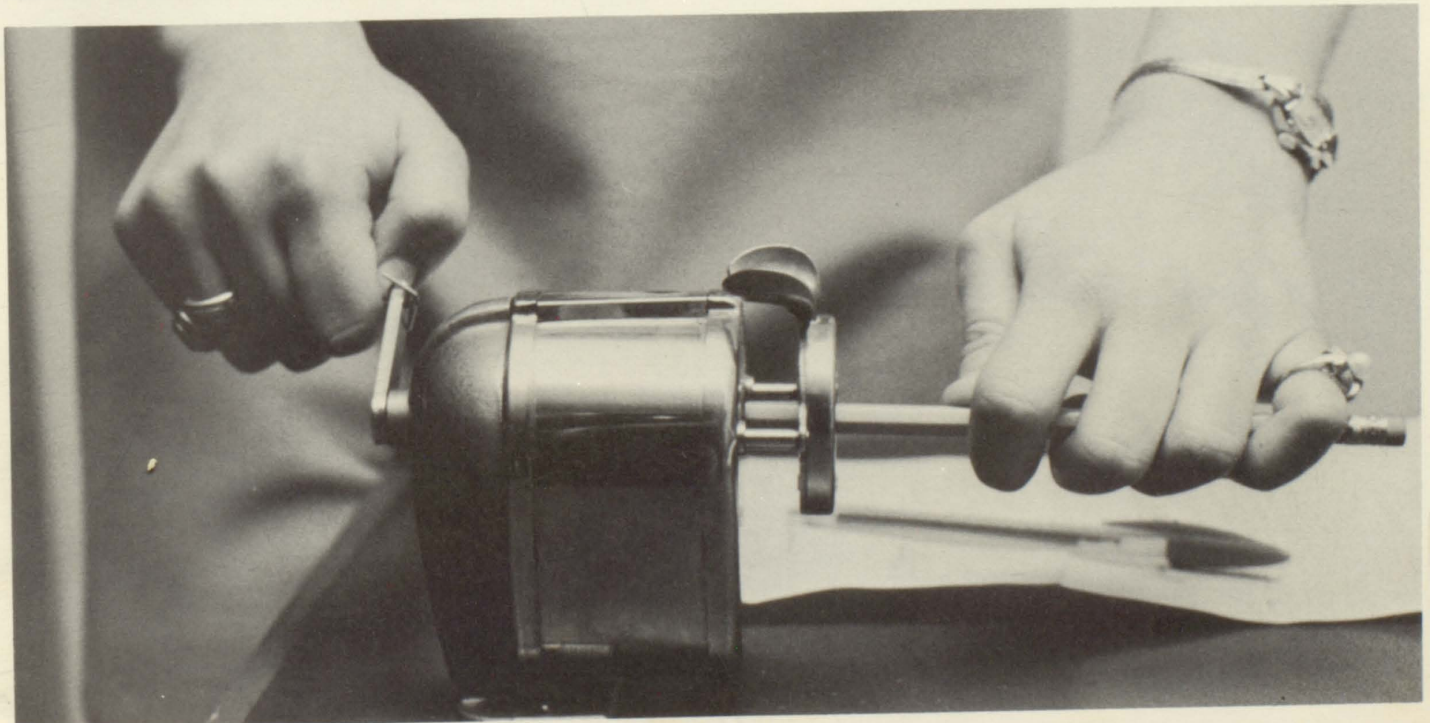

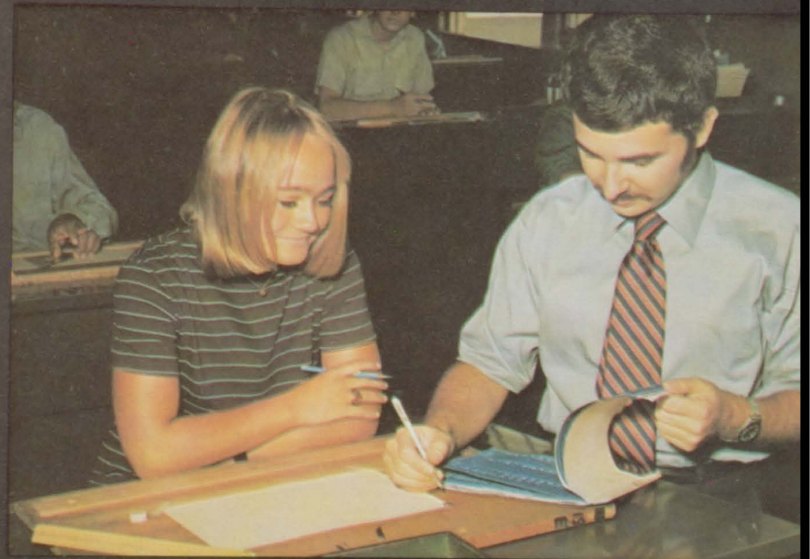

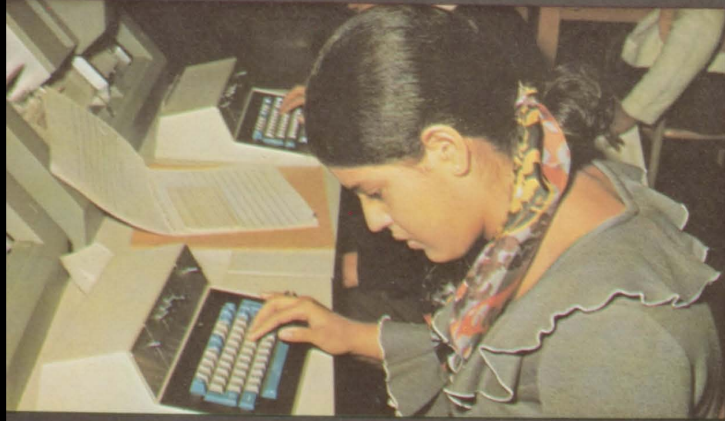

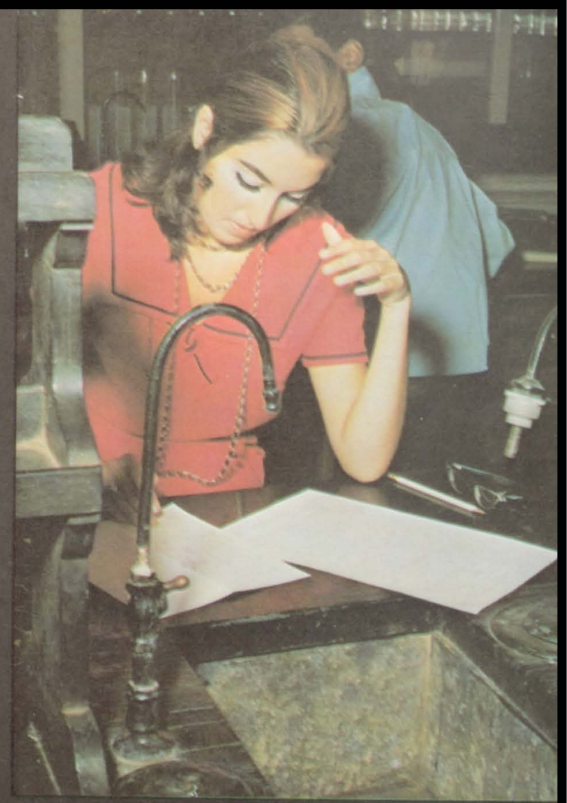

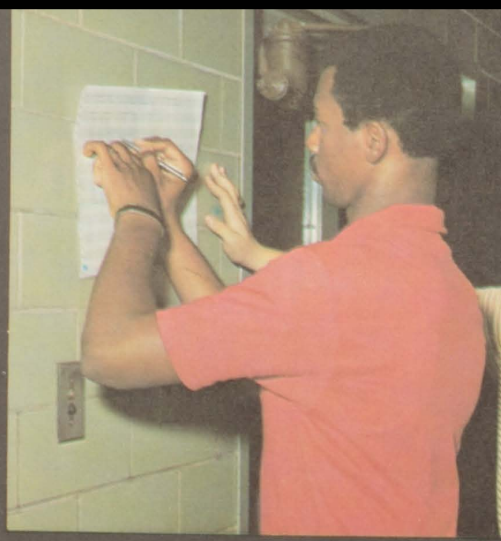

We are puzzled by a problem;
so we think and . . .

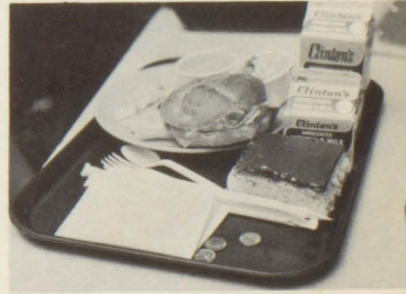

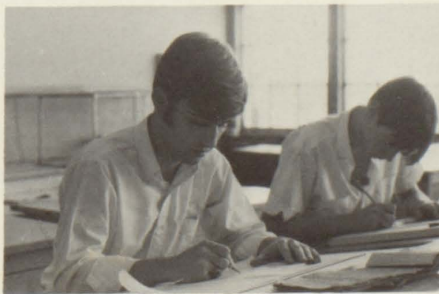

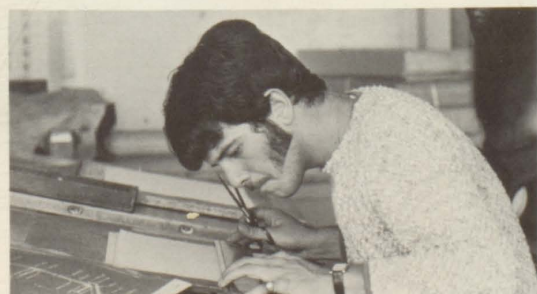

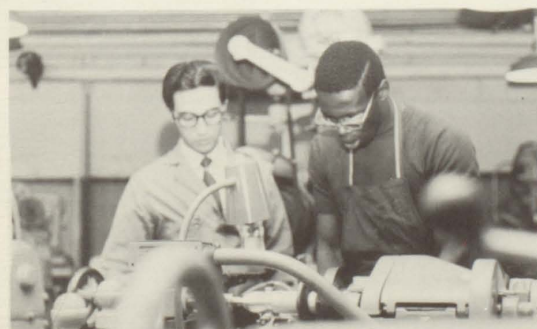

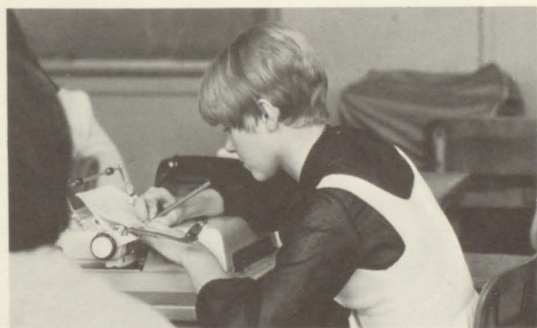

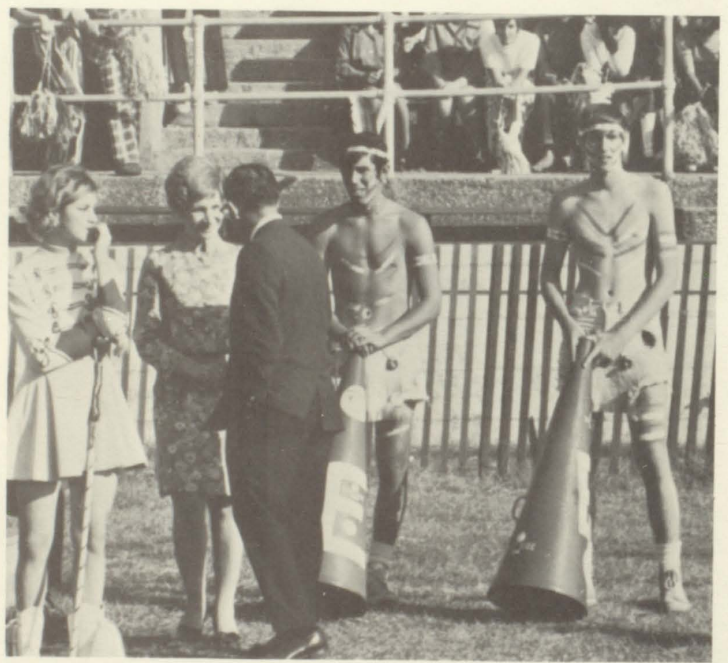

... An idea
takes shape.

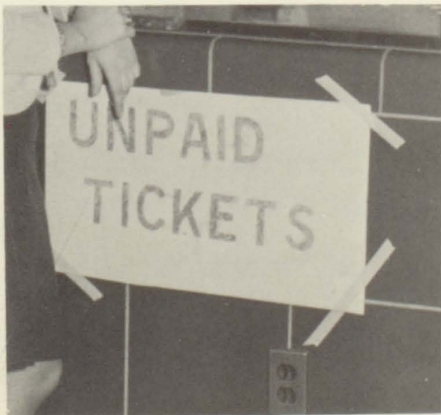

We solve the problem; We act; We grow

Activities give us a chance
to get better acquainted!

Mr. Leonard Chill Class Advisor

During the past two years, through the magazine and cookie sales, the junior and senior class trips, the early morning meetings, and the late after school decorating sessions for dances, Mr. Chill has smiled (among other things). Because of his dedication to our class and its projects, the seniors of the class of 1970 feel that they couldn't have had a better class advisor than Mr. Leonard Chill . . .

We could never repay him for what he's done, but at least we can say:

THANKS!!
